

JUDO SASKATCHEWAN

Membership Assistance Program (MAP) Grant 2020-2021

A MAP grant is funding provided to eligible clubs of Judo Saskatchewan to support grassroots and community-level development of the sport. Funding for the MAP program comes from Saskatchewan Lotteries and is administered by Judo Saskatchewan. MAP grants are intended to assist Judo clubs with sport promotion and development at the grassroots level by increasing quality of judo programs offered and overall levels of participation in our sport.

Eligible Expenses

A MAP grant can be used by clubs for any or all of the following:

- official's development
- coaches 'development
- buying mats, crash mats, and other equipment
- paying travel expenses for athletes that attend tournaments and training sessions within Saskatchewan
- paying rent
- purchasing cleaning supplies

Ineligible Expenses

MAP money cannot be spent on any of the following:

- subsidization of salary of full-time instructors
- social events like banquets, etc.
- cash prize
- alcoholic beverages
- travel expenses outside of Saskatchewan
- provincial team or CIS University team costs
- capital costs such as renovating buildings and the operating expenses such as utilities (heat, water, power)
- any other expenses deemed unsuitable by Judo Saskatchewan

Club Eligibility

- Applying clubs must register all members with Judo Saskatchewan.
- Clubs having outstanding follow-up reports from previous MAP grants will not be eligible.
- Effective Sept 1st, 2001 to be eligible for a MAP Grant the applying club must have a NCCP Level 11-coach/ instructor.
- To be eligible for a MAP Grant the applying club must have 1 (one) representative at the Annual General Meeting, other than a member of the Judo Saskatchewan executive.

The total MAP grant amount a club is eligible to apply for in a given year will be limited to a maximum of \$4,200 or \$70 per registered Judo Saskatchewan member, whichever amount is less. Due to the COVID-19 pandemic, the Finance Committee will use registration numbers from the 2019-2020 season to determine the maximum allowable funding for each club.

MAP funds MUST BE SPENT BETWEEN SEPTEMBER 1st AND AUGUST 31st in the year for which they were granted.

Unspent MAP funds or MAP funds unaccounted for through incomplete follow-up and receipts will require a grant return to Judo Saskatchewan.

Review and Selection Criteria

Priority will be given to applications from clubs that have not received MAP funding for the longest time and these applications will be reviewed first. Following this, applications from clubs that have been recent recipients of MAP grants will be reviewed.

Due to the COVID 19 pandemic Judo Sask will not split the funding into 2 categories as has been the practice for the past number of years.

For the 2020 -2021 Map Grants the funds will be allocated for equipment, mats, rent, insurance and Covid cleaning supplies. Funds will also be allocated for officials, coaches, & athletes' development if applicable.

In reviewing applications from clubs, the review committee will consider the following:

- The priority is to award grants to clubs requiring mats on which to practice.
- The second priority is to award grants to clubs to pay rent.
- The third priority is to award grants to clubs to help cover costs of cleaning supplies.
- The fourth priority is to award grants to clubs for other equipment purchases.

Note: As we move through the COVID-19 pandemic it is hoped that we will be able to return to the mats and that we will be able to host tournaments. If this happens clubs will be allowed to resubmit their applications should they wish to divert awarded monies to Officials, Coaches or Athlete Development.
