Referee Symposium

Referees for tournament register at www.TrackieReg.com/2019-EdmontonIntJudoRef

Location: 7 PM on Friday, March 8 at the Executive Royal Inn (10010-178th Street, Edmonton)

Contact information: Tammy Thornton at mrst@telusplanet.net.

Officials perform a vital role in the sport of Judo at all levels and are the constant third player on the mat. and, without their presence, the matches would not happen. No matter how you encounter Judo, the Refereeing Symposium is designed to provide useful tips and information for personal development and training and will help ensure that both you and the athletes know the rules. Success on the mats is a function of understanding the nuances of these changes and how it will affect the matches and the activities of the players. We highly recommend that all referees and interested high-level coaches consider this a must-attend.

Kata Clinic (The “Black Box”)

Register on www.TrackieReg.com/2019-EdmontonIntJudo

10 AM–4 PM on Friday, March 8 at Tokugawa Judo Club (9647-62 Ave NW, Edmonton)

\$20 per registrant + processing fee

Have you ever entered a Kata competition, and then were surprised by the score? Do you want to enter a competition, but are not sure what to do to achieve higher scores? Sometimes Kata competitions seem like a “Black Box” – we put our Kata into the box, mysteries occur, and a score comes out the other side! Join Gord Okamura and Kelly Palmer (Canadian Champions, 5th at October 2018 IJF World Kata Championships in Cancun; attendees July 2018 week-long Kodokan Kata Clinic in Tokyo) for a one-day clinic. They will take the lid off the “black box” and talk about what judges and Grading Boards look for!

The Clinic will include:

- The most common errors in any Kata.
- What Judges look for and want to see.
- Based on your demonstration, steps you can take to improve your Kata performance.

A time schedule will be sent out before the clinic. Any questions, ideas or thoughts can be sent to Gord Okamura at gyokamura@gmail.com or Kelly Palmer at kellypal@telusplanet.net.
